

Session Three

# A God To Call Father

---

**START THE VIDEO**

## LET'S TALK ABOUT IT

---

- 1** What does being a child of God mean to you?
- 2** Invite everyone to complete the following statement: "I was given my name because . . ."
- 3** Invite everyone to complete the following statement: "I was given my name because . . ."
- 4** What do you think it means to "honor your father and mother"?
- 5** In the video this week, Louie said that we need to honor our parents regardless of what they've done. Do you think he is right about this? How do we honor our father and mother while also telling the truth about the wrong things they might have done?
- 6** Have you ever seen your relationship with one or both of your parents affect your relationships with others? If so, how? Are these impacts positive or negative or a mixture of each?
- 7** How can a restored relationship with your mother or father attract others to God? How can it demonstrate the power of God to others?

## PRAY TOGETHER

---

Open the time of prayer with a moment of directed silence in which participants give thanks for the good things they have gleaned from their family of origin. Continue by inviting participants to offer any unhealthy dynamics they inherited from their families to God and ask for his help. (This, again, should be accomplished in a moment of silence.)
